

Career Acceleration Program Overview

CAREERCENTER@DIXIE.EDU | 435.652.7737 | HCC 5TH FLOOR | CAREER.DIXIE.EDU

The **Career Acceleration Program** is sponsored by Career Services. It is designed for students to gain career readiness skills while attending Dixie State University. It includes how to apply for a job, interview for a job, and gain valuable skills to keep a job!

This program is FREE for all students. It requires enrolling in a Canvas course.

Here are some highlights

Before the semester starts all students will need to:

- Sign up for the program which includes enrolling in a Canvas course
- Complete all four modules: Becoming a Professional; Creating an Effective Resume; Handshake; and Interviewing Skills
- Complete all assignments in each module
- Meet with Career Services staff member

During the semester

- Complete additional learning modules
- Complete reflection assignments with employer
- Participate in appointments, events, and activities sponsored by Career Services
